The Baby Rest Stop is a tent set up with a changing station and chairs for mothers to change or feed their infant. We also gave away bottled water for free. It was staff by volunteers from our LATCH Breastfeeding Coalition.

We first set up at the Emporia Flea Market in Fall 2018 and hope to do so in 2019 at the Dirty Kanza and Flea Market plus other downtown events. The Emporia St. Patrick’s Day Committee is funding our Baby Rest Stop in 2019!
