*We are committed to reducing attendees' and instructors' risk of being exposed to COVID-19 while participating in a KBC/IABLE course. We will comply with governmental mandates and will enact safety practices, including social distancing and cloth face covering requirements for attendees, at all courses. In the event that it is necessary to reschedule a course, all registrants will be notified of the new date and given options should this result in a scheduling conflict.

** If you are a Kansas licensed dietitian or registered nurse, you must be logged in individually and view the webinar live in order to receive CPEUs. Kansas LDs will receive CPEUs for KS LD hours through KDHE and will receive all the information needed to apply for CDR RD CPEUs. RNs will also receive all the information they need to apply for continuing education hours.
