#### **Governor Laura Kelly** M M M M **Proclaims August** in n n n "National 0.0 **Breastfeeding Month"** 10 NNNN in Kansas

#### TO THE PEOPLE OF KANSAS, GREETINGS:

NNNN

WHEREAS, the mission of the Kansas Breastfeeding Coalition (KBC) is to improve the state's health by working collaboratively to protect, promote, and support breastfeeding; and

WHEREAS, the mission of the Kansas Department of Health and Environment (KDHE) is to protect and improve the health and environment of all Kansans; and

WHEREAS, KBC and KDHE envision breastfeeding as the norm for infant and young child feeding throughout Kansas; and

WHEREAS, breast milk is the preferred and most appropriate source of nutrition for infants, adapting over time to meet the changing needs of the growing infant; and

WHEREAS breastfeeding is a proven primary prevention strategy, protecting both infants and mothers from a host of chronic and acute diseases and conditions and building a foundation for life-long health and wellness; and

WHEREAS the act of breastfeeding builds a strong emotional connection between the mother and infant, a bond that lasts a lifetime; and

WHEREAS, breastfeeding provides a safe, reliable, and renewable food source, especially critical during a natural disaster and emergency situations; and

WHEREAS, employers that provide workplace lactation support experience an impressive return on investment, including lower health care costs, absenteeism, and turnover rates, and improved morale, job satisfaction, and productivity; and

WHEREAS, all major medical authorities recommend that mothers breastfeed exclusively for six months and continue breastfeeding for at least the first year of a child's life, yet breastfeeding rates continue to decline after the early weeks; and

WHEREAS, U.S. Surgeon General Regina Benjamin has issued The Surgeon General's Call to Action to Support Breastfeeding, calling on health care providers, employers, insurers, policymakers, researchers, and the community at large to support mothers in reaching their personal breastfeeding goals.

NOW, THEREFORE, I, Laura Kelly, GOVERNOR OF THE STATE OF KANSAS, do hereby proclaim August 2021 as

#### National Breastfeeding Month

in Kansas and I urge all citizens to join in this observation.

DONE: At the Capitol in Topeka under the Great Seal of the State this 1st day of August, A.D. 202 BY THE GOVERNO

**NEW Breastfeeding Rates in Kansas** 

August 2, 2021

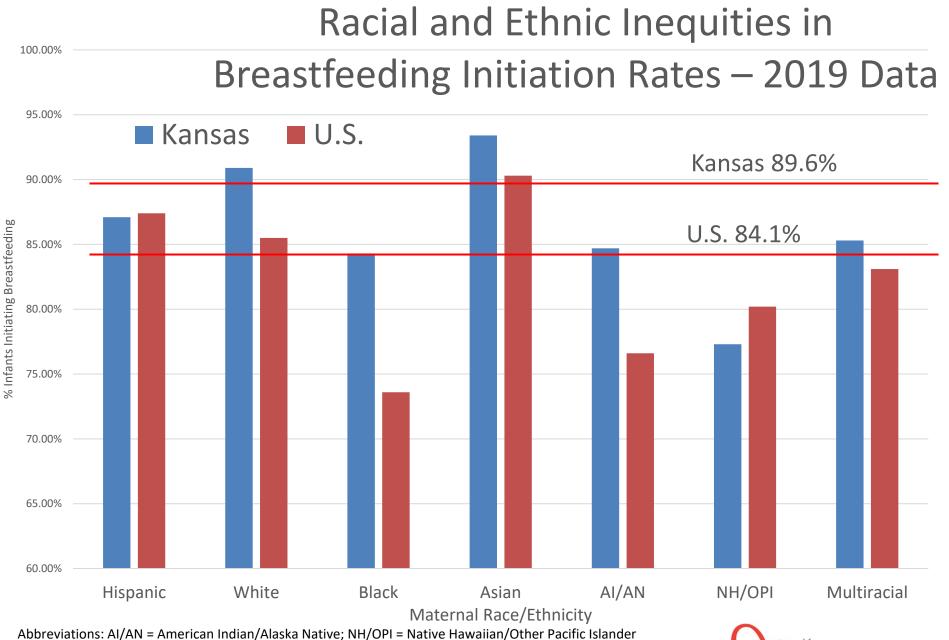

Just released - breastfeeding data from the National Immunization Survey for babies born in 2018.

Kansas exceeds the national average in all measures - for the first time!

Kansas now ranks 9<sup>th</sup> in the nation for rates of infants exclusively breastfeeding at 6 months.

Kansas now ranks in the <u>TOP 15</u> of states with high rates of both initiation of breastfeeding (12<sup>th</sup>) and breastfeeding at 12 months (15<sup>th</sup>).

|           | % Initiation<br>(Ranking)      | % Exclusive Breastfeeding at 6 mos.<br>(Ranking) | % Breastfeeding at 12 mos.<br>(Ranking) |
|-----------|--------------------------------|--|---|
| U.S. 2018 | 83.9                           | 25.8   | 35.0                                    |
| KS 2018   | 87.9 (12 <sup>th</sup> )       | 32.0 ( <mark>9<sup>th</sup></mark> )             | 38.5 (15 <sup>th</sup> )                |
| KS 2017   | 84.6 (26 <sup>th</sup> )       | 31.6 ( <i>10<sup>th</sup></i> )                  | 37.2 (25 <sup>th</sup> )                |
| KS 2016   | 88.0 <i>(14<sup>th</sup>)</i>  | 31.4 <i>(11<sup>th</sup>)</i>                    | 34.6 <i>(29<sup>th</sup>)</i>           |
| KS 2015   | 83.6 (24 <sup>th</sup> )       | 26.1 <i>(27<sup>th</sup>)</i>                    | 36.5 <i>(24<sup>th</sup>)</i>           |
| KS 2014   | 77.1 <i>(38 <sup>th</sup>)</i> | 24.5 <i>(27<sup>th</sup>)</i>                    | 31.0 <i>(32<sup>nd</sup>)</i>           |
| KS 2013   | 83.8 (20 <sup>th</sup> )       | 23.4 <i>(27<sup>t</sup>)</i>                     | 32.4 <i>(24<sup>th</sup>)</i>           |
| KS 2012   | 84.4 <i>(14<sup>th</sup>)</i>  | 24.5 (14 <sup>th</sup> )                         | 23.1 <i>(37<sup>th</sup>)</i>           |
| KS 2011   | 77.4                           | 11.4   | 22.5                                    |
| KS 2010   | 72.9                           | 15.1   | 27.3                                    |

#### **Employer Support:** Accommodating Breastfeeding Employees

Increase employee retention, lower health care costs, and reduce absenteeism—with one simple, well-timed statement! Sharing "We have a lactation support program, should you need it, for when you return after the birth of your baby" with employees before they go out on maternity can increase employee retention by 50%. Timing is everything!

With 9 out of 10 pregnant women choosing breastfeeding, they will be relieved to hear their employer supports their decision. Employees and job candidates are looking for family-friendly workplaces. Several studies have found employers who support their breastfeeding employees benefit from<sup>1,2,3</sup>:

- Reduced employee turnover
- · Enhanced public image of the employer
- Decreased absenteeism

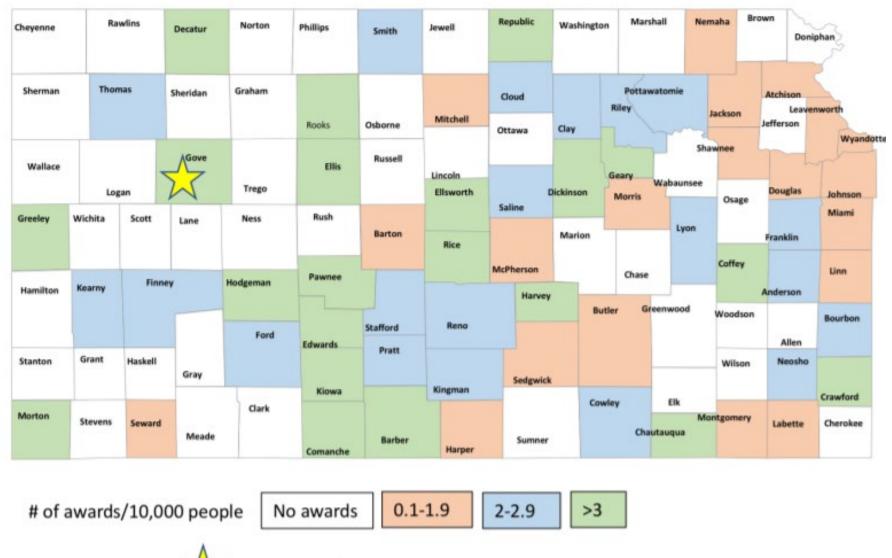

#### **Survey of Kansas Employers\***

| Practice   | Kansas Employers | You? |
|--|------------------|------|
| <b>Policy</b> —Written Lactation Accommodation Policy, in employee handbook                                    | 44%              |      |
| <b>Space</b> —Lactation Room used only for the purpose of pumping breast milk                                  | 34%              |      |
| <b>Time</b> —Employee can pump breast milk as the need arises (not limited to break/meal times)                | 84%              |      |
| <b>Communication</b> —Discuss the company's lactation policy prior to the employee's maternity leave           | 48%              |      |
| <b>Paid Maternity Leave</b> —in addition to vacation/sick/<br>PTO, etc. (includes leave for non-parental care) | 5%               |      |

## **Member Section Updates**

#### **KBC Child Care Section**

- A group was convened to discuss the possibility of completed a research project to determine the current breastfeeding perceptions of child care programs in Kansas.
- Pennsylvania received permission to adapt the Kansas Breastfeeding Friendly Child Care Toolkit.
- The toolkit was referenced as a resource in the New Jersey report titled "<u>Breastfeeding Babies Are Welcome Here:</u> <u>Creating Breastfeeding-Friendly Child Care in New Jersey</u>."
- The toolkit was referenced in a Nemour's Children's Health System technical assistance brief on <u>How Child Care</u> <u>Stabilization Grants Can Improve Healthy Eating and Physical</u> <u>Activity</u>
- The Section provided in put on the KBC *Checklist: Early Childhood Systems Support for Breastfeeding* that was shared with Early Childhood Recommendations Panel.
- Child Care Aware <sup>®</sup> of Kansas is promoting the Breastfeeding Friendly Child Care Designation by offering Amazon gift cards for the first 30 approved applications.

Meetings from 12-1 PM on 2<sup>nd</sup> Wed. of odd # months

Kris Nicholson, Chair

#### **KBC Hospital Section**

**Discussion Topics:** 

• Perinatal Core Measure (PC) 05 Exclusive Breastfeeding upon Discharge (The Joint Commission)

Dana Deters, Chair

- NEW High 5 for Mom & Baby "Practice Sheets" & Education Modules
- NEW mPINC Ten Steps Assessment Tool
- Kansas hospitals pursuing the "Baby-Friendly" designation status updates & support

Next meeting Sept. 23<sup>rd.</sup> Meetings from 12-1 PM on 4<sup>th</sup> <u>Thursday</u> of odd # months

#### **KBC Local Coalitions Section**

- We met on May 13<sup>th</sup> & July 8<sup>th</sup>.
- Carmen Valverde shared about the NEW Lactancia Latina of SW KS & Jennie Toland shared the journey of the Ford County Breastfeeding Coalition (*recording of Jennie's presentation on the Tools for Coalition page*).
- Members shared what was happening in their Coalitions, as we helped each other.
- We were reminded of the Lactation Education Support grant availability.
- We provided input to the NEW Employer Report to help coalitions work with area employers. (*on Resources page*)
- Our next meeting will be Thursday September 16th from 12p-1pm, featuring returning champion speaker
   Greg Meissen

Susan Lukwago, Chair

#### **KBC Public Health Section**

 The Public Health Section worked hard in the month of June to complete the <u>Employer Report</u>.
 The report is targeted to HR and Executives to help them support and accommodate breastfeeding employees. The report launched along with the State of Breastfeeding Report the first part of August.

Danielle Ast, Chair Danielle.ast@wichita.edu

- "Learning Moments" from:
- Kansas Cancer Partnership (Aug.)
- Ks Local Health Departments (Oct.)
- Kansas Healthy People 2030 (Dec.)
- Kansas Actin for Children (Dec.)

Please reach out to <u>Danielle.Ast@wichita.edu</u> if you have any questions.

#### KBC Community Supporting Breastfeeding Section

Began meeting in June 2021.

Goal: To support communities to achieve the Community Supporting Breastfeeding Designation (original and Plus).

The July meeting focused on the *Breastfeeding Welcome Here* criteria. Future meetings will look at other criteria.

The Section plans to create short videos with tips and tools for each of the criteria.

Meetings from 1-2 PM on the 3<sup>rd</sup> Monday of each month.

Janet Colson, Chair Janet.colson@mo dernlactation.com

# First 1,000 Days Kansas Road Trip

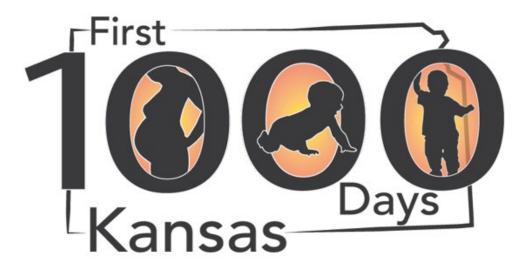

#### What We Heard

- Prenatal through 6 weeks is an important period
- Kansans need paid family leave
- Families have too many barriers to accessing support
- KanCare coverage must align with what moms and babies need
- The dedicated individuals of KS are our biggest asset org/
