KMAP GENERAL BULLETIN 23041

Lactation Counseling Allowable Via Telemedicine

Effective with dates of service on or after April 1, 2023, lactation counseling services (utilizing procedure code S9443) for non-physician lactation counselors will be additionally covered via telemedicine. Both video and audio transmissions will be covered. The home setting is allowed for this service delivery. Existing provisions for the delivery of this service will remain in effect until specifically rescinded.

Telemedicine Place of Service (POS) codes include:

- 02 - Telehealth
- 10 - Telehealth in patient home

Note: The effective date of the policy is April 1, 2023. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log**, on the KMAP [Bulletins](#) page, documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
